

PRESS RELEASE 01

For Immediate Release

*An exhibition in Bushwick, Brooklyn
only for Mexican artists.*

CALL FOR MEXICAN ARTISTS.

MEXICO CURRENTLY RECEIVES PECULIAR ATTENTION. IT HAS worldwide fame for its narcotraffic, political dysfunctions and migration; at the same time artists and filmmakers are awarded, thus highlighting the talent of this country. MÉXTASIS will host and promote Mexican artists regardless their place of residence with provocative proposals that alter and provoke an ecstasy on the viewer.

The vision of this project came from scarce or no representation of Mexican artists in New York. Foreign audiences outside Mexico, receive a very stereotypical Mexican concept, either from political, commercial outlets and mass media. MÉXTASIS wants to filter this information by obtaining outstanding artistic vision initiatives from around the world. The call is open to all artistic fields including video, sound, painting, performance, among others. MÉXTASIS believes in the variety of Mexican perceptions and realities, therefore the theme is open as well.

The seat is BUSHWICK, BROOKLYN considered one of the world's most popular artistic neighborhoods. The call closes on AUG 15TH and the results will be published on AUG 29TH of this year.

MÉXTASIS was launched on FEBRUARY 20TH promoting its "FIRST CHAPTER" *Primer Capítulo*. We are in the process of selecting curators and exhibition venue. Follow us on Facebook, Instagram and twitter and visit our website at WWW.MEXTASIS.COM for updates.
