(September 21, 2018 -- New York, NY) -- Méxtasis is pleased to present *SE HABLA ARTE MEXICANO 2*, the second exhibition presented by this artist-founded project aiming to showcase diverse Mexican artists. The show is part of [BOS Bushwick Open Studios 2018](#)

This second iteration reflects the cultural urgency to denounce the current political and economic systems in Mexico, as well as to resist the patriarchy that continues to control the national media. Through their artworks, the exhibited artists manifest a will to heal and a connection to their cultural roots. The founder of Méxtasis, Olivie Ponce, a Mexican immigrant artist who recently opened his gallery-studio in Bushwick, is proud to present six artists who work and produce both in Mexico and the United States—a condition that contributes to the diversification of their ideas. The artists were selected by curators Barbara Calderon, Ilaria Conti, María Garcia Sainz Creel, Diego del Valle Rios and Olivie Ponce.

Artists in the show are **Sofia Abraham, Ileana Doble Hernandez, Marco Hernandez, Katia Guzman, Victor Hermosillo, Alejandra Zermeño**, together with **Olivie Ponce**.

The exhibition opening will take place on Friday, September 28, from 7:00pm to 10:00pm. The exhibition will be on view Saturday, September 29 and Sunday, September 30, from 12:00pm to 7:00pm at 10 Cypress Ave., Brooklyn, NY.
